

Rules of Engagement

1. There are no bad ideas. Encourage others instead of putting an idea down. Dream, the sky is the limit.
2. Anything is possible. There is no constraints; budget, space, time, all of it is off the table for this meeting.
3. These ideas are the starting point. We #get2 dream for the church in these next few hours. Your ideas may be put into action or they may be the jumping off point for what we execute later.
